Rock Your World (RYW) contract

I _____ hereby declare that I am committing to a health care program to benefit me fully and completely. I realize that this will take time and energy and I know that I am WORTH IT!

I am committed to obtaining a series of three (minimum) sessions to begin my RYW program. This will provide Natural Massage Therapy (NMT) a reference point to design a program suitable to my needs.

I will continue with the recommended protocol for a minimum of thirty days. Throughout that time updates and advanced treatments may be required. I will communicate my progress with NMT via email (4therapy@naturalmassagetherapy.com) or by phone (928) 717- 1251. I understand that my health is my responsibility and that I am using the suggestions (within my limits) made by NMT and applying them as requested.

NMT does not diagnosis nor prescribe. RYW programs are designed to help the individual develop patterns that support the body, mind, and spirit. In so doing, changes are likely to take place. I accept the changes willingly knowing that not all changes are pleasant nor easy.

I will seek the assistance of medical personnel as needed and I do not hold NMT responsible for my overall health and/or medical problems.
